

Photography Exploration

Supplies needed

- **Old family photos**
- **Something important to your child to use in a photograph**
- **Any camera or device for taking photos**
- **A trip to a library or store to print a photo or two to frame**

Conversation Starters: These are questions to ask while working with your child.

- **Consider looking at old photographs of family and friends.**
- **Try to identify the people or places in the photo.**
- **Ask your child if they can identify the location or time frame of the photo.**
- **Talk about clothing or cars that identify the time frame.**
- **Talk about things that are important to you now. What would you like to be photographed with so people associate it with you?**
- **Allow your child to take some photos of things and people that are important to them.**
- **Review the photos your child takes. What do they like about them?**
- **Consider printing one or two and make a frame for them.**
