

Walk Outside

Supplies needed

These are optional but helpful for documenting your walk and getting a better view.

- Phone or camera to take photos
- Magnifying glass
- Binoculars

Conversation Starters: These are questions to ask while working with your child.

- What do we know about Australia? Can you find it on a map?
- How is the weather in Australia different from the weather in Pennsylvania?
- Are there any animals that only live in United States?
- How do animals adapt to where they live?
